A UNIQUE COLLECTION IN THE HEART OF LONDON

Situated in the heart of Marylebone, the Wallace Collection offers a fusion of legacy and contemporary luxury, designed for those who celebrate in style.

Raise a glass in the splendour of the historic galleries, where art and elegance set the tone for an unforgettable evening. As the night unfolds, the Courtyard transforms into a vibrant space for dinner and dancing where every moment is filled with joy, colour and culture.

Cultural Celebrations at the Wallace Collection begin with a welcome drinks and canapé reception in one of thr dazzling gallery spaces upstairs. Following this, your guests will be invited to either the Great Gallery or the Courtyard for an unforgettable dinner. Catering, Floristry, Lighting and Sound can all be obtained from our handpicked accredited suppliers.

Hosting your celebration at the Wallace Collection directly supports the museum and allows us to remain open to the public daily.
