JEAN-HONORÉ FRAGONARD, THE SWING, FRANCE, C. 1767-1768, OIL ON CANVAS

A UNIQUE COLLECTION IN THE HEART OF LONDON

Situated in the centre of London, the Wallace Collection is home to one of the world's finest collections of Old Master paintings and French decorative arts, collected over five generations of one family.

Imagine hosting your wedding celebration where London's elite partied in the eighteenth century. The doors of our splendid galleries and breath-taking Courtyard are open for you and your family to enjoy moments that you will cherish forever.

Weddings at the Wallace Collection begin with a welcome drinks and canapé reception in one of our dazzling gallery spaces upstairs. Following this, your guests will be invited to either the Great Gallery or the Courtyard for an unforgettable dinner. Dance the night away under the stars into the late hours of the evening. Catering, Floristry, Lighting and Sound can all be obtained from our handpicked accredited suppliers.

Hosting your wedding at the Wallace Collection directly supports the museum and allows us to remain open to the public daily, free of charge.
