# AN ACT OF PHILANTHROPY

Sir Richard and Lady Wallace generously left one of the greatest bequests of art in history to the British Nation, including all 5,700 works that form the Wallace Collection. Their intentions were for all visitors to gain the same joy from these works as they had always done. Every day we work to the best of our ability to fulfil their wishes, but we need your help.

By becoming a Member of the Wallace you can follow in Sir Richard and Lady Wallace's footsteps and support the continuation of their great gesture of philanthropy. Your membership helps us not only to open the Collection to the public, but also to bring it to life through vital research, education and community work, exhibitions and conservation projects.

As part of your membership, you will receive a number of exclusive benefits as well as the opportunity to get more involved with the museum.
