

# ISLAMIC PATTERNS

## TEACHING RESOURCES

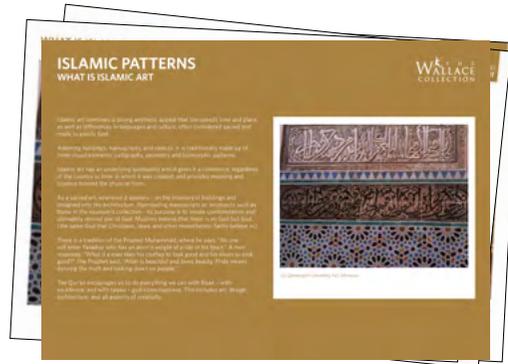

Explore themes and ideas in Islamic art through objects from the Wallace Collection armouries. Information about individual objects is provided alongside suggested cross-curricular research areas for students, and detailed instructions on how to create decorative motifs and repeating designs.

### Resources for each theme include:

- High-resolution images and details of the artworks
- Introductory questions to ask
- Suggested art and cross-curricular activities
- An editable presentation

This resource has been created by artist Shaheen Kasmani with the Wallace Collection Learning team.

### WHAT IS ISLAMIC ART?

## TEACHING RESOURCES

### CURRICULUM LINKS

#### KS3 Art & Design

- Evaluate and analyse creative works using the language of art, craft and design.
- Learn about the history of art, craft, design and architecture, including periods, styles and major movements from ancient times up to the present day.

#### GCSE Art and Design (AQA)

- The way sources inspire the development of ideas relevant to 3D design including how sources relate to historical, contemporary, cultural, social, environmental and creative contexts.
- The ways in which meanings, ideas and intentions relevant to 3D design can be communicated include the use of:
  - figurative and non-figurative representation
  - stylisation
  - simplification
  - exaggeration
  - the relationship between form and surface embellishment
  - constructional considerations
  - imaginative interpretation

#### KS3 Mathematics - Geometry and Measures

- Draw and measure line segments and angles in geometric figures, including interpreting scale drawings.
- Derive and use the standard ruler and compass constructions.
- Describe, sketch and draw using conventional terms and notations: points, lines, parallel lines, perpendicular lines, right angles, regular polygons, and other polygons that are reflectively and rotationally symmetric.

#### KS3 History

- One study of a significant society or issue in world history and its interconnections with other world developments for example, Mughal India 1526-1857.
